

MILNA BOTHA
burning bright EXTRAORDINARY WOMEN OF KWAZULU-NATAL

Aurelia's story

It's a really busy day because I'm back in the office, though I know I might not be by Monday, unless I manage to get a weekend day. There are no more days in the week - it's a long way to go.

We also have a meeting with the university. I'm in charge of the work on the ground, and I'm in charge of the work on the ground. I'm in charge of the work on the ground, and I'm in charge of the work on the ground. I'm in charge of the work on the ground, and I'm in charge of the work on the ground. I'm in charge of the work on the ground, and I'm in charge of the work on the ground.

... We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat.

... We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat. We're all in the same boat, and we're all in the same boat.
