

STORIES TOLD IN STITCHES

These vibrant expressions of African folk art tell the story of humanity's relationship with the natural world. Handcrafted in the Eastern Cape, each piece is infused with uncensored individuality and invested with the personal presence of the artist. Each comes from a place of healing, restoring hope and helping to build a more sustainable community.

COLLECTIONS

The uniqueness of our handcrafted items is that it is not machine made and there is no exact copy ever.
